

**Green Gables Adult Volleyball League -- 2016**  
**Rules of Play**

- Game Delay:** For every 10 minutes of game delay, one (1) game will be forfeited; so be prompt! Get on court ASAP and start short if necessary, tell other team.
- Postponement:** You must notify the opposing team at least 24 hours in advance (including rainouts postponed to Wed) if you can not show and want to make it up. *If your team does not show without a 24 hour notice, you automatically forfeit 3. Notify the Gables so your court can be scheduled for other makeups.*
- To Start:** 2 women + 4 men; or 1 gal + 3 guys to start or play. Sub either for the player or on the serve, announce to opponent. If playing 4's, the server may not attack at the net, they are a back row player. If playing with non-roster players, games are forfeited. A rostered male and/or female player may sub on One Intermediate team in the other pool; must clearly indicate primary team on roster, but may not play in Playoffs as a sub and must rotate out when enough main rostered players are present. Primary team takes precedence.
- Serve:** **Intermediate Leagues:** Underhand or Overhand! **All Leagues:** 25 pt rally, yes let net, post at bar. **You are responsible for your own record keeping.**
- Violations: Please call your own!** Ponytails in the net are legal, shirts and any other body parts are not. Clean whole body hits are legal. Serves, Hard driven first or 'hit' balls may be accidentally doubled because of the force. Let Captains only argue any discrepancies; use a 'do-over' to prevent unsportsmanlike conduct.
- Rules Crew:** **Scribbs, Peter, Michelle Blair, Carol. Proper Sportsmanlike conduct and communication is demanded or violators will not be allowed back.**
- Dead Ball:** Players may not enter another court to play a ball while any activity is happening on the other court; this is to prevent injury or accident.
- Blocking:** A guy may not block a girl. If he accidentally goes up to block, realizes he's against a girl, then pulls down without touching or intimidating, he's okay. However, a guy may legally spike the ball after it breaks the plane of the net. Clue: Girls are to play as if no one is on the other side of the net and Guys must be careful to only jump when they can legally hit or block.
